Dear Parents/Guardians,

Re: Arrangement for Electronic Consent Form under the Seasonal Influenza Vaccination School Outreach Programme

The "Electronic Consent Form" (eConsent) function for the Seasonal Influenza Vaccination School Outreach Programme is now available on the eHealth mobile application. Parents can log in to the eHealth mobile application and scan the dedicated QR code distributed by the school to complete and submit the eConsent for your children in a one-stop manner.

Attached below please find the school-specific QR code issued by the Department of Health. The QR code takes effect from today for parents to complete the eConsent for your children. Parents must submit the eConsent **on or before the deadline on 13th September 2026**, after which the QR code will become invalid. The Department of Health has prepared a video guide and a user manual on how to submit the eConsent for parents' reference. **Please note that both parents/guardians and their children must already be registered with eHealth and have the eHealth mobile application installed in order to scan the QR code and submit the eConsent via the application.**

Details of Seasonal Influenza Vaccination

Vaccine Type:	Injectable Vaccine (Anflu Influenza Vaccine)
Deadline of eConsent submission:	13th September, 2026 (Sunday)
Vaccination Date:	13th October, 2026 (Tuesday)

★ **Points to Note:**

- Both parents and children must be registered with eHealth and link their accounts as family members.
- The QR code is unique to each school and must not be shared with others.
- The system will only display the vaccine type selected by the school.
- For vaccine recipients under the age of 18, the consent form must be completed and submitted by a parent or guardian.
- Select only one submission method - either the eConsent form or the paper consent form.
- For refusals, the paper refusal form must be submitted to the school for verification.
- If parents have difficulties submitting the eConsent form, please complete the given paper consent form to indicate your preference for your children to receive the seasonal influenza vaccine.

★ **Dedicated QR code for PKPS**
