Dear P.1 Parents/Guardians,

Re: Extra-Curricular Activities

Be- SMART

Multiple Intelligences is a theory proposed by famous psychologist Howard Gardner recently, who suggested that all people have different kinds of intelligences. Students do not have just an intellectual capacity, but many kinds of intelligences, including musical, visual, Mathematics intelligences.

To promote an all-round education, we have organized a variety of Extra-Curricular Activities for P1 students to join and develop their Multiple Intelligences during ECA lessons. The Multiple intelligences (Be-SMART) includes **B**rain Play , **S**ports , **M**usic , **A**rts , **R**eal Nature and **T**eamwork.

All P1 students will take turns to join different kinds of activities in the school term. They have these activities on every Tuesday and Friday, from 2:10p.m.-3:00p.m. The ECA classes will start on 29th September, 2026.

Thank you for your kind attention.
