Dear P.4-P.6 Parents/Guardians of UAP,

Re: Understanding Adolescent Project (UAP)

To help our young people grow healthy, the Government has subsidized different organisations in the implementation of the Understanding the Adolescent Project (UAP) in schools. Our school will co-organise with Hong Kong Playground Association to hold the project this year. The project targets at P.4-P.6 students and aims at catering for needs of students by participating in appropriate programmes. It seeks to build up the resilience of students in facing life's challenges. Therefore, parent-child interaction is a key to the success.

Your child is now invited to join the project which includes a series of activities, outings and voluntary service. Besides, parents or guardians will be invited to attend some of activities and meetings. Please return the reply slip to the class teacher **no later than 21st September, 2026**. Thank you for your kind attention.

Yours faithfully,

Ms Kathy Chung
Principal
